Program Information

Courses taken as part of this certificate are taken for graduate seminary credit. Therefore course tuition costs, required coursework, proctored exam requirements, and prerequisite course requirements are identical to those expected of degree students. Certificate program students are also subject to all student policies (academic, financial, or otherwise) including the student code of conduct.

Graduate certificate programs are not degree programs; they will not qualify you for post-graduate studies.

Transfer Credit:

- Up to 6 units of transfer credit from another institution may be applied to certificate requirements. Substitute Shiloh University courses will not be considered.
- Credits earned as part of this certificate program are credit-bearing and may be transferrable to other institutions. The acceptance or transfer of Shiloh University academic credit at other institutions cannot be guaranteed. Transfer of credit earned is determined by the receiving institution.
- If a certificate student chooses to later apply to a Shiloh University degree program, no more than 18 units can be transferred from University certificate programs to a degree program.

Degree Program Students:

- University degree students may apply to earn 1 certificate while enrolled in a program, not more.
